You need your chest and waist measurement to order the correct size. Measure over clothing that will be worn under your Uniform.

Please ignore your standard wear measures (S, M etc.) from normal private shopping.

A- CHEST MEASUREMENT

Measure around the fullest (biggest part of the chest) keeping the tape at under-arm and across the shoulder blades.

B- WAIST MEASUREMENT

Measure around the smallest part of the natural waist line. Hold the tape firmly but NOT TIGHTLY and be sure to keep the tape level. Best to measure above a garment.
